JULY 2022

From Pastor Gary

It has certainly been an interesting month here at our church. We were able to have a very successful Bible School. Several other churches near us also had Bible School going on, but we were still able to average 76 kids a night. We also had a bunch of workers who helped do this important ministry. Because of their willingness to give of their time, twelve children received Christ as their Lord and Savior. We are now working with several of our men to provide greater security around our church on Sunday morning, Sunday evening and Wednesday Worship Services. Hope you will recognize a greater presence at the church's front door and rear door. We will also be patrolling the parking lot. Sad we have to take these extra security measures, but this world we're living in dictates that we must do this. Finally, Sunday, June 12, 2022, I announced my stepping down as Pastor. It has become imperative that I make myself more available to help my brother and sisters take care of our mother. It's a situation that is demanding more of my time. After much prayer, I do feel like God has allowed me to step down as Pastor. I love our church and am proud of how God has blessed this church over the past seven years. I know God wants to continue to bless Balfour. Please be in much prayer about our process of replacing my position. I am willing to be here through September to provide ample time to start the new church year and get our committee positions filled. Pastor Mark is not going anywhere and will continue to work with me side by side, day by day, allowing God to direct the future of Balfour Baptist Church.

Greetings folks, praying you are well and that you're ready for summer? What an amazing week we had at Balfour Baptist Church last week at VBS! To watch what God did and how HE used so many of YOU for His Kingdom! It was so wonderful seeing our folks team up with each other and pull together as one team and see 12 kids give their heart to Jesus was nothing but God working through the team for His KINGDOM! THANK YOU to each and every one of you who had a hand in it and to Patricia Underwood and Jonah Serva leading the team here at Balfour. May we all pray together over the next few months and ask the Lord to use us in reaching more folks for His Kingdom here at Balfour Baptist Church. Blessings and prayers to you all, Pastor Mark

YOUTH ACTIVITIES

From Jonah Serva

What a blessed time to be able to serve the Lord with a loving heart. The week at VBS was amazing with 12 children accepting Christ as their Savior! Thank you to all the hard workers that were willing to use the gifts that God has blessed you with and thank you for all the prayers that were sent up. The summer has taken off with a roaring start and I can tell the youth are enjoying the extra fellowship and unity that have been made available to them. There might be times that we feel overwhelmed or too busy for everything that is set before us, but all we have to do is remember that if you are a child of God you have the Holy Spirit living with you, you are able to walk with God and receive help from the one who created you and knows everything about you. God wants to hear from you so why not express everything to Him? John 14:26 "But the Helper, the Holy Spirit, whom the Father will send in My name, He will teach you all things, and bring to your remembrance all things that I said to you."

WMU NEWS

Sandra (Spivey) Ayers has presented our congregation with a wonderful mission's opportunity for the summer. She has had a request from NAMS, with whom we have been partnered in the past already, for school supplies to be gathered for use in the School Store by students. We have gathered supplies in the past, but not for this specific purpose.

Unlike what we have done in the past, these supplies will be placed in the school store "so that students could "purchase" these supplies with Comet Cash we give them the first week. This would hopefully help students take pride in their supplies since they had to choose them and buy them and if they have all their supplies then they can buy fun items or something that catches their attention (maybe like colored pens or post it notes or Sharpies to name a few). We also hope this will help students make use of our school store all year long." Necessities as well as "fun" items for the children to purchase are on the list.

We will place receptacles in the church beginning the first Sunday in June and will collect items thru the third Sunday in August. This is a marvelous way to give back to our local community.
